Respective Student Organizations,

The Student Organizations Council will be holding the Student Organizations Fair this semester in the LBJ Student Center Ballroom. We had a great turnout and a lot of positive feedback from organizations and students this past fall. The theme this semester will be 'Texas State Spirit and Pride'. We will not be assigning tables and it will be first come, first serve. We would also like organizations to perform something that represents what the organization is all about! If so, please indicate so in the table below. This will be a great way to recruit new members and advertise for your organization, so come show Texas State students what you're all about!
